

1. The actual reason Jesus died on the cross is so that you would know how much God loves you

2. What God wants from us more than anything is a relationship with us

3. That relationship with God is Heaven. Not only is it a place you can go to when you die, it is a fullness of life that comes through friendship with God

4. When you begin that friendship with God, He will give you the "Gift of the Holy Spirit"

5. The Holy Spirit does 2 things - 1 When we stand before God on judgement day, it is those who have the Holy Spirit who get into HEAVEN (draw H for Heaven)

6. 2 - While we are alive the Holy Spirit is the HELPER (draw H2 for Helper). He will comfort, guide you, protect you, build you, speak to you, cause you to bear fruit

7. God is love (draw the big heart)

8. Here is man over here, not many people know God

9. That's because of sin, it blocks us from having this relationship

10. That's why Jesus came and died on a cross, to take away our sins

11. He said that if we will believe in Him

12. And if we will follow Him

13. Then we can enter into that relationship with God

WOULD YOU LIKE TO BEGIN A FRIENDSHIP WITH GOD?

If so, pray this with me...

Now all friendship are built through communication over time

→ 1. That is by talking to them

→ 2. And by listening to them. It's the same with God

→ 3. Now talking to God is really called prayer

→ 4. Its really asking God for things

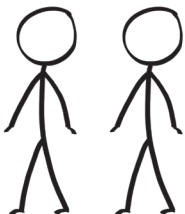

→ 5. And thanking him for things

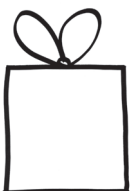

Similarly, listening to God happens in 3 ways

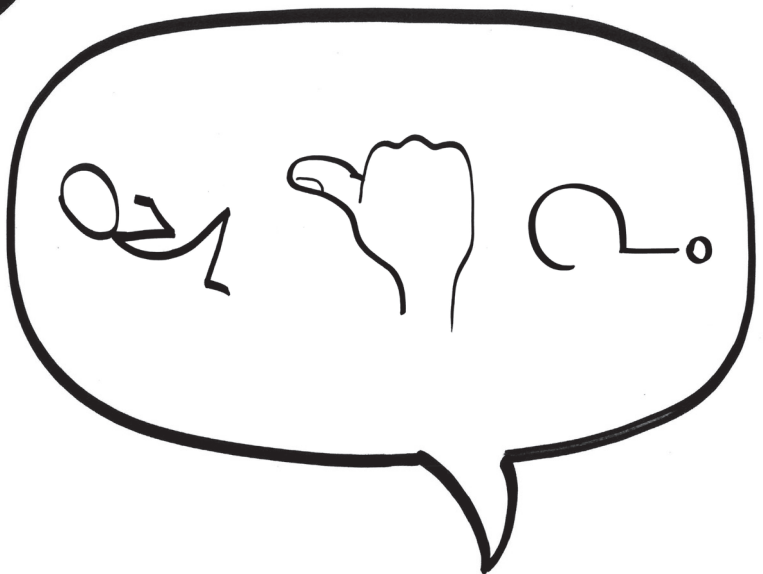

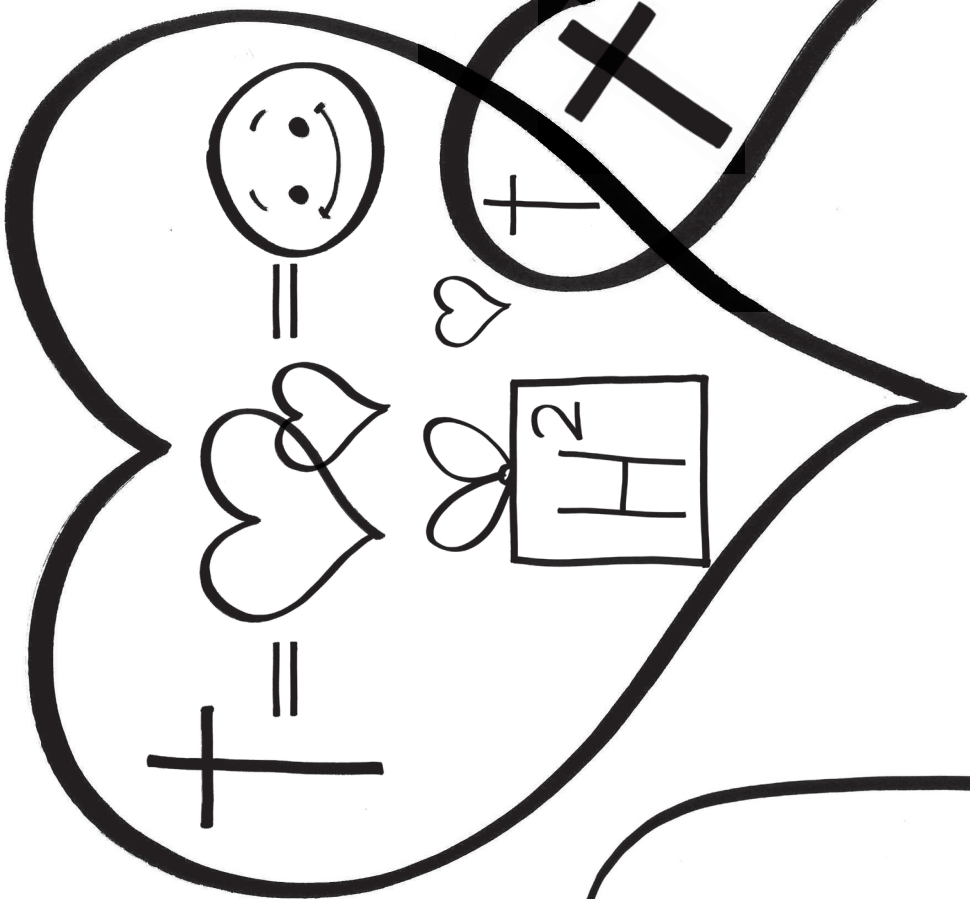

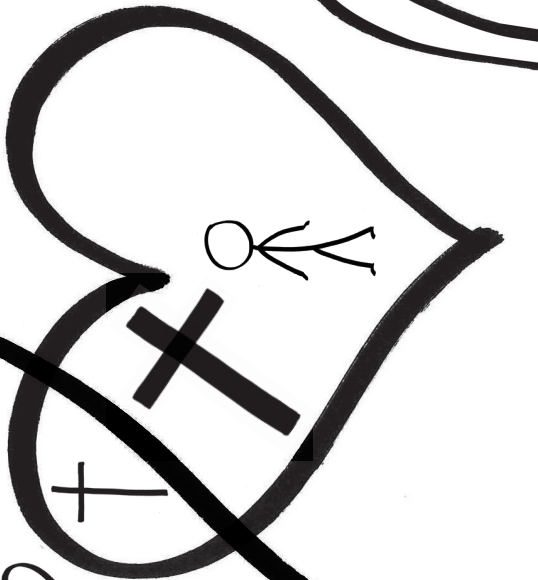

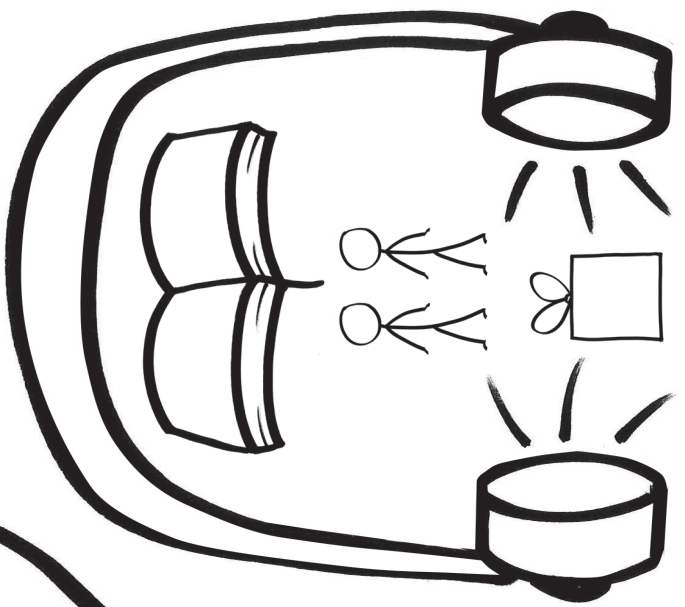

→ 6. Reading the Bible, take a minute each day just to read a chapter or two

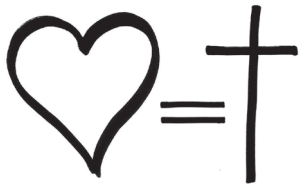

→ 7. Through people, other Christians. This is why it is a good idea to join a church, would you like to join me

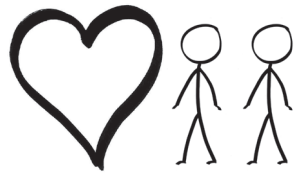

→ 8. God will speak to you directly thourgh the Holy Spirit. Part of this journey is learning to hear God for yourself. This is why church is good, because others will help you on that journey.
